

SEVEN LAKES HIGH SCHOOL CHOIR BOOSTER CLUB

2009-2010 MEMBERSHIP FORM

The Choir Program at Seven Lakes High School provides choir students of *all levels* opportunities to perform and grow musically. While the KISD Fine Arts budget meets the very basic requirements of the program, additional funds are needed to provide our students with the caliber of choir program we have come to expect and enjoy!

The Choir Booster Club is a volunteer organization set up to assist with many aspects of choir including the purchase of sheet music, uniform purchase and maintenance, purchase of equipment, accompanist fees, fundraising events, manning concession stands at Pre-Area Audition and Coffee House, providing chaperones for trips, and Singing Valentines.

Note: Many corporations have programs that will match your membership donation to the booster club. If your company has a matching gift program, please initiate the paperwork to secure that matching gift. Your matching gift will be added to your donation and the total will determine your membership level. Also, some corporations provide grants for employees and their family members who volunteer in the community. ExxonMobile has such a program, in which \$500 is granted to organizations to which an employee or family member has donated 20 hours of their time. If your company offers such a program, please contact Laura Pierce to discuss the grant application.

Will you be applying for a matching gift from your employer? ___ Yes ___ No (check one)
